

## INTRO

Ooh (x 3)

alto

Ooh (x 3)

all

## VERSE 1

It seems it's just the way it is, a game we got to play

sop & alto

We wonder what it means, and if we've got a say

But we aren't the only ones on this, lonesome road

all, sop & alto, all

We can beat the odds, change the narrative

sop, ten, bass, alto

And carry on

all

## CHORUS x 2

We've got to lead the lead the way

alto & bass, all

We've got to lead the lead the way

all

## VERSE 2

When in times of trouble (*\*When in times of trouble*)

sop, *\*alto & ten & bass*

We're longing for a chance to breathe

sop, all

Oh look around (*\*Oh look around*)

sop, *\*alto & ten & bass*

And you'll and you'll see

sop, all

That we're all looking for a safe

sop & ten & bass, alto

Place to land

all

In the chaos we can stand tall

all, sop & alto

And carry on

all

## CHORUS x 2

We've got to lead the lead the way

alto & bass, all

We've got to lead the lead the way

all
